To Whom It May Concern,

It gives me great pleasure to recommend a very talented and skilled performer Brad Denton. Brad was the Headline act for our Men's 3-Day Member-Guest in 2005 and it was the best entertainment that we have ever had for this event. The combination of humor, golf skill, and instruction during his show will have my members talking for years. His repertoire of trick shots is extensive and will have your audience shaking their heads in disbelief at some of the shots he can perform.

Brad not only entertains during his act, but he also educates. The crowd will learn about the mechanics of the swing while laughing in their seats. His knowledge of the golf swing is extensive and our members and their guests left the driving range with a better understanding of the game thanks to Brad's show.

It is doubtful that Brad's golf skills will ever leave him, but in case they do, he could make a great living as a stand up comedian. His timely humor and skillful impersonations kept an ornery bunch of golfers riveted in their seats for the entire show. From Gomer Pile to Arnold Schwarzenegger, the laughs kept coming. Once again I strongly recommend Brad Denton as the highlight for your tournament or event. His show will help make your event the most memorable of the year. Please feel free to contact me if there is anything I can do for you, or any further information I can provide.

Respectfully yours,

Matthew C. Gallagher, PGA
