Dear Jack,

The PAHCOM 14th Annual Conference is finally behind us, and especially in these extremely challenging times, I sincerely appreciate your role in contributing to its overall success. It was both a pleasure and an honor to meet you!

I hope that you were pleased with the interaction from your audience, because they were definitely positive about your presentations. The enclosed reports is a compilation of the evaluations we have received to date regarding your session. The responses reveal a great deal of appreciation for both the information and the method in which it was presented. It is easy to see why you are in such demand as a speaker!

Thank you once again for your participation at our Reno conference and your efforts on behalf of PAHCOM. I look forward to working with you again in the future.

Most Sincerely,

Rose Chambers  
Executive Director
